Cookies

Last updated: August 2026

This website uses cookies and similar technologies to make the website work, understand how visitors use it and, where applicable, provide additional functionality.

A cookie is a small file placed on your device when you visit a website. Cookies can perform different functions, such as remembering preferences, maintaining website security or helping website owners understand how their site is being used.

Essential cookies

Some cookies are necessary for the website to function properly. These may be used for purposes such as security, navigation and basic website functionality.

Because these cookies are necessary for the website to operate, they do not require consent where the relevant legal exemption applies.

Analytics and other non-essential cookies

Where the website uses analytics or other non-essential cookies, these will only be used where you have given the appropriate consent.

Analytics cookies can help me understand things such as which pages are visited and how visitors use the website. This information helps me improve the website.

I do not use cookies on this website for advertising or to sell information about visitors to third parties.

Third-party content

Some pages may contain content or services provided by third parties, such as embedded videos or links to social-media platforms. These services may use their own cookies or similar technologies when you interact with them.

The privacy and cookie policies of those third parties will apply to their services.

Managing your cookie preferences

You can accept or reject non-essential cookies using the cookie settings provided on this website.

You can also control or delete cookies through your web browser. Please note that disabling some cookies may affect the functionality of the website.

If you have previously given consent to non-essential cookies and wish to change your preferences, you can do so through the cookie settings available on the website.

Changes to this policy

I may update this Cookies policy if the website's use of cookies or other technologies changes.
